AUTHOR INDEX TO VOLUME 12

Adams, Martin R.: Voice Onsets and Segment Durations of Normal Speakers and Beginning Stutterers, 133

Alteiri, Jennifer: *see* Hall, Donald Elliott

Attanasio, Joseph S.: The Dodo was Lewis Carroll, You See: Reflections and Speculations, 107

———: A Case of Late-Onset or Acquired Stuttering in Adult Life, 287

Black, James A.: A Comparative Study of the Perception of Freedom-In-Leisure Between Stuttering and Nonstuttering Individuals, 239

Blood, Gordon W., Blood, Ingrid M., and Hood, Stephen B.: The Development of Ear Preferences in Stuttering and Nonstuttering Children: A Longitudinal Study, 119

Blood, Ingrid M.: *see* Blood, Gordon W.

Borden, Gloria J., Kim, Daniel H., and Spiegler, Karin: Acoustics of Stop Consonant-Vowel Relationships During Fluent and Stuttered Utterances, 175

Brown, Shelli L. and Colcord, Roger, D.: Perceptual Comparisons of Adolescent Stutterers' and Nonstutterers' Fluent Speech, 419

Burley, Peter M. and Morley, Ruth: Self-Monitoring Processes in Stutterers, 71

Carpenter, Mary and Sommers, Ronald K.: Unisensory and Bisensory Perceptual and Memory Processing in Stuttering Adults and Normal Speakers, 291

Colcord, Roger D. and Gregory, Hugo H.: Perceptual Analyses of Stuttering and Nonstuttering Children's Fluent Speech Productions, 185

———: *see* Brown, Shelli L.

———: *see* Rastatter, Michael P.

Conti, Donna: *see* Hall, Donald Elliott

Cooper, Eugene B.: The Chronic Perseverative Stuttering Syndrome; Incurable Stuttering, 381

Cross, Douglas E.: Comparison of Reaction Time and Accuracy Measures of Laterality for Stutterers and Normal Speakers, 271

Cross, Douglas E. and Olson, Patricia L.: Articulatory–Laryngeal Interaction in Stutterers and Normal Speakers: Effects of a Bite-Block on Rapid Voice Initiation, 407

———: Interaction Between Jaw Kinematics and Voice Onset for Stutterers and Nonstutterers in a VRT Task, 367

Crowe, Thomas A.: *see* Robinson, Jr., Tommie L.

Cullinan, Walter L.: *see* McKnight, Roxanne C.

Daly, David A.: Use of the Home VCR to Facilitate Transfer of Fluency, 103

Dell, Carl W.: *see* Rastatter, Michael P.

Dopheide, Bill: Competencies Expected of Beginning Clinicians Working with Children Who Stutter, 157

El-Yaniv, Nirit: *see* Howell, Peter

Espin, Christine A.: *see* Schloss, Patrick J.

Freeman, Catherine A.: *see* Schloss, Patrick J.

Gregory, Hugo H.: *see* Colcord, Roger D.

———: *see* Watson, Jennifer Barbara

Hall, Donald Elliott, Lynn, James M., Alteiri, Jennifer, Segers, Vick Difiore, and Conti, Donna: Inter-Intrajudge Reliability of the Stuttering Severity Instrument, 167

Hood, Stephen B.: *see* Blood, Gordon W.

Horii, Yoshiyuki and Ramig, Peter R.: Pause and Utterance Durations and Fundamental Frequency Characteristics of Repeated Oral Reading by Stutterers and Nonstutterers, 257

Howell, Peter and El-Yaniv, Nirit: The Effects of Presenting a Click Syllable-Initial Position on the Speech Stutterers: Comparison with a Click, 249

Johnson, Gerald F.: Ten Commandments for Long-Term Maintenance of Acceptable Self-Help Skills for Persons Who Are Hard-Core Stutterers, 9

———: A Clinical Study of Porky Pig Cartoons, 235

Kalinowski, Joseph S., Lerman, Jay W., and Watt, James: A Preliminary Examina-

tion of the Perceptions of Self and Others in Stutterers and Nonstutterers, 317
Kim, Daniel H.: *see* Borden, Gloria J.
Kistler, Doris J.: *see* Watson, Jennifer Barbara
Lerman, Jay W.: *see* Kalinowski, Joseph S.
Loren, Catherine: *see* Rastatter, Michael P.
Lynn, James M.: *see* Hall, Donald Elliott
Marshall, Robert C. and Neuburger, Sandra I.: Effects of Delayed Auditory Feedback on Acquired Stuttering Following Head Injury, 355
McKnight, Roxanne C. and Cullinan, Walter L.: Subgroups of Stuttering Children: Speech and Voice Reation Times, Segmental Durations, and Naming Latencies, 217
Metz, Dale Evan: *see* Sacco, Pat Richard
Meyers, Susan C.: *see* Strang, Harold R.
Morley, Ruth: *see* Burley, Peter M.
Mowrer, Don: Reported Use of a Japanese Accent to Promote Fluency, 19
Neuburger, Sandra I.: *see* Marshall, Robert C.
Newman, Linda L.: The Effects of Punishment of Repetitions and the Acquisition of "Stutter-Like" Behaviors in Normal Speakers, 51
Nowack, William J. and Stone, Edward R.: Acquired Stuttering and Bilateral Cerebral Disease, 141
Olson, Patricia: *see* Cross, Douglas E.
Ramig, Peter R. and Wallace Mary L.: Indirect and Combined Direct-Indirect Therapy in a Dysfluent Child, 41
———: *see* Horii, Yoshiyuki
Rastatter, Michael P. and Dell, Carl W.: Simple Visual Versus Lexical Decision Vocal Reaction Times of Stuttering and Normal Subjects, 63
Rastatter, Michael P., Loren, Catherine, and Colcord, Roger: Visual Coding Strategies and Hemisphere Dominance Characteristics of Stutterers, 305
Robinson, Jr., Tommie L. and Crowe, Thomas A.: A Comparative Study of Speech Disfluencies in Nonstuttering Black and White College Athletes, 147
Sacco, Pat Richard and Metz, Dale Evan: Changes in Stutterers' Fundamental Frequency Contours Following Therapy, 1
Schloss, Patrick J., Freeman, Catherine A., Smith, Maureen A., and Espin, Christine A.: Influence of Assertiveness Training on the Stuttering Rates Exhibited by Three Young Adults, 333
Seegers, Vick Difiore: *see* Hall, Donald Elliott
Shirkey, Edward A.: Forensic Verification of Stuttering, 197
Smith, Maureen A.: *see* Schloss, Patrick J.
Sommers, Ronald K.: *see* Carpenter, Mary
Spiegler, Karin: *see* Borden, Gloria J.
Stone, Edward R.: *see* Nowack, William J.
Strang, Harold R. and Meyers, Susan C.: A Microcomputer Simulation to Evaluate and Train Effective Intervention Techniques in Listening Partners of Preschool Stutterers, 205
Wallace, Mary L.: *see* Ramig, Peter R.
Watson, Jennifer Barber: Profiles of Stutterers' and Nonstutterers' Affective, Cognitive, and Behavioral Communication Attitudes, 389
Watson, Jennifer Barber, Gregory, Hugo H., and Kisler, Doris J.: Development and Evaluation of an Inventory to Assess Adult Stutterers' Communication Attitudes, 429
Watt, James: *see* Kalinowski, Joseph S.
Wingate, Marcel E.: Fluency and Disfluency; Illusion and Identification, 79
